高級文憑及副學士課程

連續4年總升學率達91%以上，
2025年總升學率更達

93.9%

TSTSS – English Comes Alive!

At TSTSS, English isn't just a subject — it's an adventure! From lively conversations to interactive activities, we make learning English fun, meaningful, and full of surprises. Whether you're reading your first story or speaking on stage, we're here to help you grow with confidence.

1. Speak Up & Shine

We believe every student has a voice worth hearing — and we help you use it!

Read Aloud: Our junior students build strong speaking skills by reading stories aloud in a supportive environment.

Speech Festivals: Step up, speak out, and shine! These events are a great way to build public speaking confidence.

Campus TV: Share your ideas and creativity with the whole school — your voice matters!

2. English in Action

English is everywhere at TSTSS — not just in the classroom!

English Mondays: Chat with our native English teachers during Monday afternoons. It's relaxed, fun, and a great way to practice real-life English.

Speaking Days: Solve riddles, talk about your weekend, or join in playful speaking games — all in English!

Festive Events: Celebrate festivals like Halloween with themed activities that bring English to life.

3. Love to Read

We turn reading into a joyful habit that lasts a lifetime.

Fun Reading Lessons: With the help of our native English teachers and local staff, our students explore stories through games, discussions, and imagination.

Reading for Joy: Our students keep track of their favourite books and showcase their reading journey in colorful logbooks that they share with friends!

STEAM 教育 發揮創意與創造能力

「Eggsplore MVPA60 全港小學運動挑戰賽」建立健康生活

我校同學在電腦科和體育科老師的帶領下，參與教育局舉辦的「MVPA60 流動應用程式設計比賽」，在全港 30 隊中脫穎而出，奪得冠軍殊榮。去年開始首辦「Eggsplore MVPA60 全港小學運動挑戰賽」，旨在以趣味互動形式推動校園體育文化普及。

每名參賽學生獲贈「運動心跳手帶」，參賽學生安裝我校研發的應用程式「Eggsplore」，紀錄日常運動時數及心率，以換取分數，從而推動運動理念深入校園每個角落。我校亦贊助全校同學購買智能手帶，安裝 Eggsplore 應用程式，讓學生體會運動的樂趣與成就感，從而建立健康的生活方式。
